DESERVED SUFFERING

Various Passages

1. Universal

2. Natural

3. Instructional

4. Disciplinary

Questions for Reflection:

- What truth did I learn today that I did not fully understand before?
 - How can I apply what I learned this morning to my life?
 - What specific thing(s) do I need to do as a result of learning this truth?
-

Questions for next week's sermon:

- Give some examples of "innocent" suffering in the Bible. In your own life.
- Why does God allow suffering, even for those who are innocent? How is this "fair?"
- When we experience innocent suffering, how should we respond? Are there steps to mitigate it? How should we react to those who are sinning against us?
