INNOCENT SUFFERING

Various Passages

Questions for Reflection:

- What truth did I learn today that I did not fully understand before?
 - How can I apply what I learned this morning to my life?
 - What specific thing(s) do I need to do as a result of learning this truth?
-

Questions for next week's sermon:

- Have you ever suffered for standing up for what was right/holy/righteous? Give some examples.
- Jesus promised suffering would come if we professed His name. In what ways does He help us with that suffering?
- What should give us hope in the midst of righteous suffering? How do we persevere when the suffering becomes intense?
